

Marketing & Creative Internship

The Marketing Intern will support the Marketing and Communications team in creating engaging, mission-driven content that shares the stories of children, youth, and families experiencing foster care. This role is ideal for a creative student or emerging professional with a passion for visual storytelling and a desire to make an impact.

1. Responsibilities:

- Assist with designing graphics and visual assets for social media, email, and event marketing.
- Support video production efforts, including filming, editing, and creating short-form social media reels.
- Provide production assistance during video shoots and events.
- Contribute to content creation that aligns with Austin Angels' brand and mission.
- Collaborate with the team to develop and execute marketing campaigns that drive engagement and awareness.

2. Requirements:

- A creative eye and passion for visual storytelling
- Graphic Design Knowledge
- Filming and video Editing Skills
- Basic graphic design skills (Canva, Adobe Photoshop, or Illustrator)
- Knowledge in Canva; Adobe Suite | Illustrator, Photoshop, Premiere Pro; Google Suite; Monday.com

- Familiarity with social media platforms (Instagram, Facebook, LinkedIn)
- A heart for mission-driven work and a belief in the power of community.

3. Common Intern Tasks:

- Edit social media reels
- Provide production assistance tasks on video shoots
- Assist in marketing social media graphic design
- Assist in event marketing assets
- Filming experience
