

FAMILY HOLIDAY BASKETS
WITH AUSTIN ANGELS

BUILD A BASKET

Basket Sponsorship - One or More Whole Baskets

Help create meaningful and intentional experiences for a family by providing the items for a holiday basket. This year, families will get to build their own baskets at our holiday event. We know how powerful it is to have choice and to be able to hand-select the items that will be most impactful for their households. Families will get to stop by the basket building area and each child will get to help their caregiver(s) collect goodies, games, crafts and other holiday fun for the family.

Please do not wrap baskets this year. While some pre-made baskets may be given out, we also might break down baskets into their individual elements as needed.

Basket Contents

- basket or hamper
